Calgary Roadrunners 2006-2007 Cross Country Grand Prix Series

This series combines the essential ingredients of real running: varied terrain, natural surfaces and plenty of food. Each race is preceded by a kid's race about 1 km in length. The Confederation Park adult race in October is shorter, forming an excellent introduction to X-C racing for the novice. All races are followed by social mixing, soup and desserts. The soup is provided, you bring the dessert.
