

CROSS COUNTRY AWARDS NIGHT and POT LUCK DINNER Saturday March 20, 2010

WILDWOOD COMMUNITY CENTRE,
4411 Spruce Drive S.W.

This is the culmination of the off road running season. It's an evening to recognize the successes of the Grand Prix champions, the Iron Persons and the category award winners. Enjoy a casual evening of great food, socializing, awards and draw prizes.

This year the theme of the Awards Night is ...

What is our brand?

Example 1 - Alberta's official motto is "Fortis et Liber", strong and free. For years Alberta has been referred to as "Wild Rose Country" and the latest slogan is, "Freedom to create, Spirit to achieve."

Example 2 - Avis car rental led a successful marketing campaign with the slogan, "We're number 2. We Try Harder"

What do you think would be the slogan, logo or tag line that would best describe the Cross Country Grand Prix series?

In keeping with the cross-country tradition, **YOU** supply the food (one main course or salad, plus a dessert). The buffet is always varied and good. Beer & wine cash bar. Coffee, tea and soft drinks are provided.
