Are you training for your next 10k? Are you flirting with the marathon? Are you just getting started, or starting to lose momentum? Join us and start some new long distance running relationships.

We're a not-for-profit club for distance running enthusiasts of all ages and ability levels. Since 1976 we've organized hundreds of races and thousands of training runs. We've helped each other meet countless goals and cross many finish lines together. We train and race on trails, roads, and mountains. We have an annual youth scholarship bursary, and our members are age group competitive in masters racing worldwide. Most of our runs are easy, some of our runs are devastating, but almost every run is social.

We don't charge a lot for an annual membership. We don't require that you attend bingos or casinos. You don't have to wear our logo or volunteer for our races, but we're happy for your support if you do.

You'll get an informative newsletter, great discounts at several local stores, reduced prices for our races, scholarship opportunities, relay team sponsorship, plus frequent training and coaching.

Thank you for running our race. We hope you have a great time.
